[OK] - Steam Achievement - Steam Cloud - Environmentally friendly (RAM use) - Characters looks pretty - Nice Story - many challenges, traps, and unknown things in every stage - Nice Soundtracks [NOT OK] - Can't setting the resolution (but you can use Fullscreen mode and I don't like it) [RECOMMEND] - Yes, because [OK] have more reason [ADDITIONAL NOTE] This

---

game can make you feel uncomfortable so that it can lead to violence on yourself (be careful with yourself) because it's too many unknown things and traps in every stages. so, if your heart is ready to play this game, I recommend you to play this game and don't make violence.
